

HARIS LEGHARI

WEB DEVELOPER

PROFESSIONAL SUMMARY

I am a Website Developer with 1+ years of experience creating and maintaining websites for clients. I am developing user-friendly, responsive websites that are optimized for both desktop and mobile devices. My expertise includes HTML/CSS, JavaScript, React, Node.js, Python, Django, MySQL, MongoDB, and other web development technologies. I take pride in my ability to create modern, aesthetically pleasing websites that are tailored to the client's needs.
